

How many years have you been riding a motorcycle?

Have you taken the Motorcycle Safety Course?

How often do you ride?

What do you ride?

How far can your bike travel on a tank of gas?

What is the furthest distance you've ridden in one day (in miles)?

Are you comfortable with all types of roads:

Twisties with switchbacks?

Steep hills and curves?

Long sweeping turns?

What type of ride do you want?

Long trip (6 – 8 hrs)

Short trip (3-4 hrs)

Do you require frequent stops (more often than once an hour)?

Do you have any problem riding in a group, as many as 12, motorcycles?

Do you and can you carry riding gear for all types of weather conditions?

Example: leather coat and chaps, riding jacket, rain suit, gloves and boots

Do you play well with others?

Do you have any medical conditions that might affect your riding ability? Or affect the length of time in which you are able to ride? Please explain.

Are you allergic to any foods?
